# ABOUT US

We would like to introduce Avadh Medicines, Lucknow as the leading vaccine distributor in Uttar Pradesh. Our firm is recognized nationally within the vaccine fraternity of India. Established in year 1975, we specialize in handling cold chain products up to a temperature of – 20 degrees C. Our storage facility is equipped with cold rooms & deep freezers by Blue Star Ltd.

To ensure a 24X7 cold chain guarantee we have a dedicated power back for our cold storage with a separate UPS & generator.

We have our own field force catering to all leading institutes, doctors and hospitals in central & eastern UP  
Vaccines, Insulins, Immunoglobulins & IVF products are our specialty. Some of our leading corporate clients are Apollo Medics Hospital Lucknow, Chandan Hospital, Medanta Hospital Lucknow, Indra IVF, SGPGI Lucknow, KGMU Lucknow. We are handling over 500 + hospitals & nursing homes under our area of operations

# Our Vision

At Avadh Medicines it is our endeavor to provide vaccines & blood products to our hospital/doctor patients at affordable prices at their doorstep along with a quality and cold chain guarantee. Ensuring the authenticity of all medicines delivered by us is of utmost importance to our organization.
